COMMANDER'S REPORT

Post 137 is seeing a great surge in renewals thus far for the 2008 membership drive. We are currently reporting just over 47 % renewals, with 755 of the total 1604 members having renewed. Our 1st Vice, Adjutant and Post Secretary are all working very hard to get the new membership cards out in a timely fashion. I encourage each and every member to pay your dues as soon as possible and qualify for the "Early Bird Dinner" coming in November. In addition, you can help your Post by paying now and beating the \$ 2.00 per member increase being charged each Post, which the Department of Florida will soon be implementing, as was authorized last month at the Department Convention.

Our Monday Night Bingo Program is again in jeopardy!! Attendance has fallen off and as a result the winning pots have dwindled. The Bingo Program is very valuable to Post 137 for several reasons. The proceeds help finance our publication of the Bugler and our Annual Christmas Program. In addition, the camaraderie and potential for membership gains with the Bingo Program are endangered. Your help and participation in Bingo, as well as all the other weekly programs, such as Darts, Karaoke and Video Bowling is urgently solicited. As I have stated before, we all know of potential members who are friends, neighbors, co-workers and relatives who would love to be invited to Post 137 for Bingo or any of the other activities here at our Post Home. Let's get busy and invite these people to our Post! Just sign them in at the door and remember "Enthusiasm is Contagious" is not just my theme. It can work for all of us and for the good of Post 137.

The Annual Follies Program is being scheduled for Saturday evening, September 29th, at 8:00 p.m. This year's event will feature the "Redneck Follies" with an all-star cast of Officers and members of Post 137. Entertainment provided by Vicki Lee. This event should be the usual fun show of frolic and Surprise. Get your tickets early from the bartenders (\$5.00 donation to the Christmas Basket Program), as there will be no reserved seating. Door prizes will be awarded. Make your plans to attend this fun event and continue to support the activities of Post 137.

I would like to remind everyone of the primary purpose of our great organization; service to all our Veterans. If you know of a Veteran who is in need of help, send them to us! Please also keep in your thoughts and prayers our servicemen and women who are serving our country around the world in the Global War on Terrorism. They deserve only the best and your continued support.

For GOD and Country
Dennis Thompson, Commander

ADJUTANT'S REPORT:

Since taking office in July, I have been very busy apprising myself, of the responsibilities and duties of the office of Adjutant. I am proud to say I have made great progress and am working hard to fulfill those obligations.

The Commander, 1st Vice and the Post Secretary have been working many long hours getting the 2008 membership cards processed and mailed out. Their efforts are showing that we are ahead of schedule and all is well. I have utilized the ALPOP System to provide membership reports for them to use in accomplishing those tasks. The Legion AIMS System has been updated and is now current.

The secretary's desk has been upgraded and she now has more room to accommodate the processing of membership forms and applications. The office space has improved but is still a little cramped. These improvements came about thanks to the commander's initiative.

I am looking forward to the coming year and hoping to do a good job for the Legion. Feel free to make helpful comments along the way.

For GOD and Country,
Hal Helms, Adjutant

1ST VICE REPORT:

On August 11th, I was pleased to read in 30 new and transferred members. The Post membership renewals have been encouraging, so please don't slow down and continue sending yours in. The Post depends on membership renewals to pay for the many good programs, which it supports and sponsors. If you have not renewed or know someone that has not, (**NOW IS THE TIME**). Please help your Post.

I would also like to remind you to play bingo. It is so important to many of the programs like the Bugler and Christmas Baskets Program. We urge you to participate in the Bingo Program. Please come play and bring your friends. Thanks for your support. Post 137 membership is at 755 and 47 %. Keep up the good work!

For GOD and COUNTRY,
Eddie Dykes, 1st Vice

2ND VICE REPORT:

Many Thanks to all the "Post Members" and their guest for the fine turn out at the Luau. It was a great way to spend a Saturday afternoon. We have a lot of things to get done this year. Programs to fund and community service projects to help with. You are a prime player in the big plan. The Post needs your participation and attendance. Friday night steak dinners are a great way to start. Load up the family come join your friends in some fun and a delicious steak dinner. We will be looking for you.

For GOD and COUNTRY,
Dan Grant, 2nd Vice

3RD VICE REPORT:

Children and Youth will host a Legion breakfast on the 23rd. Do not forget the Follies on the 29th. Come see your beauties? in action. The Luau was a success. We cooked a 120 lb. hog and had all the trimmings. Everyone had a good time. I want to personally thank Mr. Skip Robbins from Robbins Fabrications for letting me borrow his smoker. It was nice of him to trust me with it. He normally doesn't lend it out however he was glad to help the Legion. Keep him in mind should you need any type of welding.

Yours in service,
Barry Congressi, 3rd Vice

AUXILIARY PRESIDENT'S REPORT:

We had our regular meeting August 4th. Let's back up a little, since our installation of Officers and Awards was in July, but too late to make the Bugler.

Outgoing 5th District President Amanda Stevens presented the unit with a nice plaque from Department of Florida, for our donation to the Special Olympics program and also a Certificate of Appreciation for our participation in the Josh Dogs program, that we donated to the children's hospital. The unit presented Children and Youth Chairman, Diane Congressi with a Meritorious Service Pin for her efforts in making these awards happen.

The Unit also presented Lifetime memberships to 2 of our members; Vera Stevens for 17 years and Jo Ann Kelley for 14 years of outstanding service to the Auxiliary and to the Post. Congratulations!!!

At our August 4th meeting we presented a Lifetime Membership to Marolyn Sanford for 20 years of outstanding service as well. We also presented our Officers with pins and our Chairmen with Certificates of Appreciation. We would like to thank our newly elected, Honorary Department Junior President, Nola Marcantel and Past Unit Junior President, Ashley Lane for their help with this.

We processed 49 Senior and 3 Junior, membership renewals. Again, we would like to remind the Auxiliary members that the renewal notices from National, will not be mailed until October. Come on in and pay your dues and also let us know if you can pick up your card from the Bar.

Hon. Department Jr. President, Nola Marcantel, has already been busy representing the Unit On July 27th, a trip was made to the Jacksonville V.A. Clinic, helping with sandwiches and visiting with the veterans. She also participated in the Veterans Stand Down program August 3rd and 4th at the Jacksonville Fair Grounds Pavilion.

Our Americanism / National Security Chairman, Anita Lee has been busy clipping coupons. Good Job! We are sponsoring a basic Self Defense class on September 8th after the Legion meeting in the Moon building starting at 12 noon. This program is for Legion Family members and friends. We feel this is an important program. Please get the word out!!!!

Yours in Service,
Jeri West, President

✠ CHAPLAIN'S REPORT ✠

The month of September brings to mind that this year is quickly passing by. Our schools have reopened so be aware of buses and school crossings. The 15 mile per hr. speed limit for cars is highly enforced when lights are flashing. Don't run the red lights either. If caught and ticketed it will cost you \$183.50. We would rather have you spend that same amount of money to help out our Post.

The Post is looking great thanks to a lot of volunteers and their efforts. I cannot give these people enough praise for the services they perform. Their contributions are what make our Legion Post so special. The next time you have an occasion to see some of the projects they are involved in, give them a pat on the back and a big thank you. It will certainly be appreciated.

I need to bring to your attention and I am sure many of you are already aware of the tragedy that happened in our neighborhood a few weeks ago. A missing child... Tony Youman's body was found in the woods not far from our Post. This incident should serve as a reminder for all of us to always be aware of where our children and grandchildren are and whom they are with. It is bad enough for anyone to be involved in such a loss, but it is extremely sad when it is a child. We cannot be too careful when protecting these young people and keeping them safe from harm. Please keep Tony's family and their friends in your prayers.

Labor Day is coming up and once again there will be fun and good times at the Legion. Hope to see you there.

Again it is my sad duty to list the names of the following Legionnaires who have transferred to Post Everlasting:

Doyle Hollingsworth

Harding Morgan

Please keep these Legionnaires and their families in your thoughts and prayers.
For God and Country,
Gene Odom, Chaplain

The Luau held Saturday August 11th was a great success

Thanks to the many volunteers who dedicated their time and efforts, each one of them deserves a real "pat on the back". The following is a list of names of those who worked so hard. If I have failed to list all of them, please pardon the oversight. They all have my personal thanks for a job well done.

Tom Tercha & Laurie, John & Joann Kelley, Barry & Diane Congressi, Vivian Grant, Bud Eaton, Ray Runyan, Bob Shupe, Sue Rewis, Betty Lomax, Jeri West. Carl Rust, Steve & Teressa, Kathy & Ted.

In addition, a great big thank you to Byron, who donated the gift basket and Debbie Royston, who donated many of the decorations. Last, but certainly not least, thanks to Bill Scott who provided his services with the Karaoke set-up in the extreme heat of the day.

AMERICAN LEGION RIDER'S REPORT

On July 13th Chapter 137 of the American Legion Rider's put on a pork chop dinner at Post 137. Over 90 dinners were served. Several Chapter members and other Volunteers were there to ensure everyone enjoyed their meal. A breakfast was also held on July 22nd.

During July & August there were several rides for fun, fellowship & the good of the Chapter for the members to take part in. All rides begin in the Post parking lot. To clarify the listing on departure times on the bugler Calendar, Kickstands up, (KSU) we leave.

For GOD and Country, Rick Wiggs

CLUB MANAGER

The Club once again transferred \$5000.00 from the Operations Account last month and \$5000.00 from the Lottery Account to the Building Fund Account, this totals year to date \$48,000.00. A big THANK YOU to everyone who has helped to make this Club so successful this year.

The Finance Committee and the Legion Executive Committee has voted to place a \$50.00 clean up charge on the kitchen when it is not cleaned up properly after dinners. This is similar to the charge issued by the Moon Building when the Building is not cleaned up. The extra money will go to our cleaning staff to clean up the kitchen, which is not covered contractually.

A Special Thanks to everyone who helped with the LUAU, on Saturday August 11, 2007. We forwarded to the Commander the list of names of those who helped to make that event such a success. JOB WELL DONE.
