COMMANDER'S REPORT

The Post 137 election of officers, for the coming year 2008-2009 is on Saturday, June 7th, between the hours of 8:00 am and 5:00 pm. While you are voting, take the time to think about the good of the Legion and who will do the best job. Remember, the well being and future good of Post 137 depends on your vote!

I was pleased to disclose the terms of the agreement with the JEA, which was formally approved at our May General Assembly. The negotiations involved a permanent easement request by the JEA to accommodate installation of a wastewater pipeline across the back of our property. This proposal included a 20' X 568' piece of Post property, with appraisals being obtained by both Post 137 and the JEA, which was somewhat hectic and time consuming. The end result is that Post 137 was placed in a very favorable position from the standpoint of a sizeable cash settlement as well as paving improvements here at our Post Home, with a total value of approximately \$154,000. I feel comfortable with what is being agreed to and wish to thank the entire Executive Committee and the appointed Sub-Committee for their guidance and cooperation in this matter. As a result of this project, the future of our Post now looks brighter than ever from the standpoint of the long term savings and working building funds for our own improvements.

The 2nd Annual Veterans Car Show held last month on Armed Forces Day was a resounding success. We were able to raise considerable funds from the proceeds of car show entry fees, sale of t-shirts, food and refreshments, as well as 50/50 drawings. All of the proceeds from the Car Show will be distributed for Veterans Services on behalf of Post 137. Everyone involved in this event can be proud and I sincerely hope the Annual Car Show event will continue to be successful for many years to come. Many thanks to the Car Show Committee which consisted of Sammy Defranco, Barry Congressi and Ron Sorrels, for their hard work and dedication to the project.

We were just below the 100% renewals mark set by the Department deadline of May 7th; however, I have every confidence we will surpass 100% by the time of the Department Convention in July. My thanks to everyone for their time and effort in the membership campaign, particularly by our 1st Vice, Eddie Dykes.

As many of you are by now aware, our 2nd Vice, Danny Grant was recently hospitalized and underwent heart surgery. Danny has always been very active in all functions here at Post 137 for as long as I can remember. As our Post Entertainment Chairman he has always done his absolute best in all aspects of being a "Legionnaire Extraordinaire". He is by now well on his way to fully recuperating. I sincerely hope that everyone will keep "Dancing Dan" and his lovely wife Vivian in your hearts and prayers for a speedy recovery and return to Post 137.

Let's continue to keep all of our Servicemen and Servicewomen in your hearts and prayers, wherever they are in this Country's War on Terrorism. They are being asked to do a very difficult job and are deserving of our respect and support.

For GOD and Country
Dennis Thompson, Commander

## COMMANDER'S ANNOUNCEMENTS

### "VOLUNTEERS OF THE MONTH"

Our Thursday "Bread Day" program has been re-established here at our Post Home. Many of our members take advantage of this program and I am delighted to see their participation. This project is the result of the hard work and dedication of two Legionnaires who spend their time and efforts in seeing that bread products and in some instances produce is provided to those who wish to partake of it. I am of course talking about J. W. and Stanley who do this on a weekly basis at no expense to the Post.

Please continue to enjoy this program! I urge each and everyone who can to make a donation in the box provided, in order to help cover some of the personal expense incurred by these Legionnaires in procuring and transporting the goods to the Post.

Dennis Thompson, Commander

## PATRIOT GUARD REPORT

During the month of April the Patriot Guard was very active. Unfortunately most missions were for funerals.

However, on April 28th there was a Welcome Home ceremony for 35 members of the Florida Air National Guard. The ceremony was held on the FANG base at Jacksonville International Airport. Seven members of the PGR were able to come out and show support for these returning troops.

Members of American Legion Post 137 were present along with the American Legion Riders Chapter 137.

**Welcome Home, Airmen.**

Rick Wiggs

## **HISTORIAN'S REPORT:**

The crazy weather has taken a turn and Summer has arrived. In April, Post 137 held a Luau. A lot of people came out danced, ate, swam and had a good time. Some grass skirts were there, but there was a lot of doubt about the ones wearing them. If you weren't there, you missed a good time, good food and friends.

The new Digital History Picture Frame is now on display. Digital is the way of the future and the future has arrived at Post 137. Pictures of an entire year can be kept in an area less than 2 square inches. There is an internal memory so that when a card is not being used, pictures of Post 137 will play.

I still have to figure out how to set up the memory (and a couple of other things), but when I do nearly 300 pictures will be stored for constant play. This display is unique and should be the first of its kind. Bulky photo albums are dead. Come to your Post and see for yourself.

For GOD and Country, Rick Wiggs

## **USMCCA**

What can you say except the marines mission has been accomplished!

On behalf of the USMCCA Officers and Boosters it was an honor to help such a fine young lady who has proved she has a big heart and truly cares about helping the veterans and now has shown her willingness to help others as well. With a "can do it attitude", our own Honorary Dept of Fl. Jr. President, Miss Nola Marcantel, ask for our support in helping her to raise funds for the "All Children's Hospital Fund". We gladly accepted.

### **Funds raised were:**

N. Florida Shipyards, Administration and Employees \$260.00, Cross State Towing, Captains Butler and Cowart \$40.00, American Harbor & Docking Pilots \$50.00, Crowley Shipping Lines \$50.00, Great American Advertising \$50.00, FCCS Beta Club,\$50.00, Ron Henningfeld \$50.00, Home Post 137 \$25.00 plus postage, SAL Sqdn 137 \$25.00, Rod & Pole Benders \$231.00, A.L. Riders Chapter 137 \$740.00, Aux. Unit 137 \$10.00, USMCCA \$1,553.00, and balance of funds \$2,366.00 from around the State of Fl. Posts, Units & SAL Sqdn's. An additional \$150.00 has been added to the State donations.

With Nola's "we can do it attitude" and the support units help, she made in contributions to the Dept of FL. President, Linda Teasley's Project, All Children's Hospital Foundation the amount of \$5,650.00.

Mrs Teasley indicated that each Lactation room cost approximately \$10,000. She thinks that with this contribution Dept. of Fl. may have enough to fund two rooms for the hospital. A Special Thank You to Mrs Teasley for her support of this project.

It would be fitting to give a Hand Salute with a "Good, Job" added, to all who made it happen. "Semper Fi". For GOD, Country and Corps, Dennis Glisson, President

Hope all of our post mothers had a wonderful Mother's Day. You are very special people and it is always a pleasure to recognize you on your special day. Don't fret Dads. Your pampering day is coming soon. Wishing you a HAPPY FATHER'S DAY now.

Our Post is looking better each day as improvements are being made regularly.

Thanks to our House Committee, Tom, Ray, Bob and Barry. These guys voluntarily give their time and are always willing to be of service wherever it is needed. When you see them, give them a word of thanks for the hard work they have put forth to make our post look great.

Thanks again for your support of our on-going projects. The 2<sup>nd</sup> Annual Car Show went off very well and the money raised will go to a great cause.

I would like to mention another project that is going on. The post has sandwiches on sale, each day at the bar. Thanks to Ann, Debbie and Bill for their efforts in preparing these sandwiches. All money raised goes into the S A L fund, which eventually goes to support our legion programs. Your support of this project would be appreciated.

It is my sad duty to inform our members of the following legionnaires who have transferred to POST EVERLASTING.

### **AUXILIARY PRESIDENT'S REPORT**

We held our regular monthly meeting on May 1st, 2008. Since 1<sup>st</sup> Vice Sue Rewis was a little under the weather, Secretary Anita Lee read in the new members and they were voted on and accepted bringing our total to 92.13 %

Hon. Dept. Junior President Nola Marcantel made a request for a \$10.00 donation to her project (All Children Hospital), motion was made and carried.

Vera Stevens has not completed her report on the annual Firemen & Policemen dinner. The S.A.L. presented the Unit with a check for \$100.00 donation toward the expenses. We do know that we served approximately 520. This project keeps growing every year and these guys are very appreciative. Good job Vera.

We held our annual Unit 137 Memorial Service for our departed members with myself, Chaplain Nora and Nola Marcantel, participating; as always, our Chaplain presented a beautiful Service.

Emma La France stepped up to do our dinner on May 23<sup>rd</sup>. Thanks Emma.

Ray Runyan is taking over the Mothers Day breakfast for us. Much thanks to Ray, this is what we mean by Legion Family!!

Don't forget our election will be held at the next meeting June 5<sup>th</sup>. If anyone would like to hold an office, please contact one of our nominating Committee, Vera Stevens, Sue Rewis, or Nora Marcantel. We desperately need someone for 2<sup>nd</sup> Vice. We also are planning to join with the Legion on June 28<sup>th</sup> to present our awards.

We mailed out approximately 2000 poppy letters. When the Editor mailed the monthly Bugler for May she also mailed out approximately 2000 Poppy letters. Donations are really coming in. Thank you for your help.
